Commencement of classes for CBCS Students on 23-5-2022

The coordinator of the time-table committee finalised the timetable after discussing it with departmental heads in the meeting.

Two breaks and bell timings were decided.

It was decided to make the class timetable available on the notice board and send the timetable to WhatsApp groups for students. And send a copy of the timetable to all faculties.

Affiliation Committee visit planned

For the continuation of affiliation, a team from Tumkur University visited the college and conducted a detailed survey of enclosures and annexures and the proceedings of the IQAC and GC meetings.

The admission process began for N.E.P. First Semester students.

To make an extensive campaign to visit various PUC colleges, collect the candidates' contacts, and counsel them about college academic ambience. Batches of teachers will be formed to visit various PU colleges in the surrounding areas.

Industrial Visits/Special lectures

- All the departments organised industrial /field visits.
- Hands-on training through industrial visits, field visits, and collection of specimens of animals benefitted the students.

- In science exhibitions, the students formulate, undertake, and explain exhibits with the help of teachers. This total involvement enriched the students' curiosity, creativity, and inventiveness.

To bring out a college magazine

Due to the pandemic, the college magazine wasn't published for a couple of years; however, the college plans to bring out a magazine on the diamond jubilee celebration of our college.

Collection of Stakeholder Feedback and finalisation of reports.

It was resolved to create feedback forms in kannada for parents, as most of them couldn't understand English.
