Enhancement of Library Usage.

It was resolved that teachers and students should use the library facilities like N-list.

Collection of Feedback from stakeholders

Feedback was collected from various stakeholders- students, teachers, alumni and parents- and analysed.

Best practices (Exhibitions, seminars, and special lectures)

- In science exhibitions, the students formulate, undertake, and explain exhibits with the help of teachers. This total involvement enriches the students' curiosity, creativity, and inventiveness.
- Student seminars and student projects are organised to augment curriculum contents to become student-centric. As a result, logical thinking, problem-solving techniques, and analysing skills are developed.
- Guest lectures by eminent persons and industry experts are scheduled to expose the students to the latest developments in the subject of interest.

It was resolved to continue the best practices mentioned above.

Preparation for the Fourth Cycle Accreditation.

The IQAC Coordinator updated the members about the revised format of AQAR as applicable from the academic year 2021-2022.

It was resolved to set out strategies for the last year in compliance with the NAAC Peer Team recommendations and suggestions.
