EXHIBITION CONDUCTED FOR TIPTUR TALUK HIGH SCHOOL STUDENTS

DATE: 10.02.2018

REPORT: The exhibition was conducted for High School students of Tiptur taluk on 10.02.2018. Around 1000 students from 10 High schools of Tiptur taluk visited our College for an exhibition. More than 20 experiments at the high school level were set in different branches of Physics, such as optics, magnetism, current electricity, heat, Fluid Mechanics and electronics. B.Sc. students and the teaching staff demonstrated experiments. High school students cleared their doubts by asking questions. The laws of Physics were easily demonstrated through these experiments. Various applications of those experiments were well explained.
