**2.6.1 - ORIENTATION PROGRAMMES**

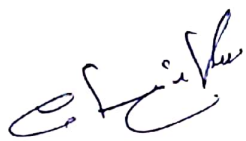

**Kalpataru First Grade Science College, Tiptur**  
**Department of Electronics**  
**ORIENTATION PROGRAMME**

**2017-18**

Orientation programme (freshers' day) was observed on 29-08-2017. Students of Final year and second year PME organized and conducted this programme. First year students were given a warm welcome to the college. Goal of the programme is to orient the first-year students to the higher studies as they have come from different economic, social and educational backgrounds. Principal, Heads of departments, teaching and non-teaching faculty attended the function along with the students. Programme was successful in making the new students comfortable with the college environment and get an exposure to the various facilities – such as library, sports facilities, laboratories, various clubs and cells.

Apart from this, the Programme Outcomes of the subject were emphasized by the faculty and heads of all the departments. Importance and ways of achieving the programme outcomes were discussed. Senior students talked about the attainment of the programme outcomes using the facilities and guidance available in the college.

  
**Dr. Chitnaranjan Rai, Y.Sc., Ph.D.,**

ORIENTATION PROGRAMME

2018- 19

Orientation programme was arranged on 13-08-2018. The goal of the programme was to welcome the first-year students to the college and also to familiarize them with the various activities conducted in the college, facilities available in the college and also the various cells and clubs active in the college. Dr. A.M. Shivanna, Principal, teaching and non-teaching staff of the college and the students were present in the function. First year students got some valuable suggestions from their peers.

The first-year students were briefed about the expected Programme outcomes of Electronics subject. Also, they were advised to use all the facility and guidance available in the college to achieve those programme outcomes. The facilities include Library, laboratories, good academic ambience, various clubs and cells etc. All Heads of the Departments were present along with all faculty members. Final year students gave information about the various ways in which student can use the facilities in the form of infrastructure and guidance to achieve success in life.
